"Father, Jesus, I also, give Holy Spirit permission to teach me to instantly recognize tension, accept its meaning (my thought is out of harmony with Jesus' thought) and again use the **TPR**." John 14:26,27

At the next occurrence of tension your will will not feel like allowing Jesus to give peace. Though you dislike tension, you are inclined to think it is normal and justified. Giving permission at this time of peace allows Holy Spirit freedom then to do more for you.

"Father, I give Holy Spirit permission to make **my thoughts and actions** so like **Jesus' way to think and act**, that **You can attract** <u>(name)</u> **to notice and desire** what **You** are doing in me." 1 John 5:16 Paraphrase

In this **TPR for an acquaintance**, there are two dynamic parts. First, there is a guarantee that you will grow to think and act more like Jesus. Second, Divinity's promise assures that Holy Spirit will radiate to your acquaintance the changes you allow Him to make in your thinking and behavior. Holy Spirit uses this to help the one watching you want what you are getting and eventually ask how they can get the same worthwhile change. And, you will know how and introduce **TPR** to them and watch them have the same elimination of tension as you.

Notice the **Bible texts** listed. Notice how they show that the ideas expressed on this card are of Divine origin.

The Permission Response is likely to be the most significant bit of information that could be shared with you. While that will be for you to decide, this Guide will explain the Royal Vision, Permission Response Card. This will increase the cards usefulness as you begin experiments with TPR.

Front Panel

The ROYAL VISION is how Father, Jesus and Holy Spirit view you now and throughout eternity.

That vision includes 1) you fulfilling Their burning hope that you will join Them in participation in companionship. 2) To achieve Their vision They have had a pretty much one sided companionship experience with you to acquaint you with Themselves through moment by moment peace They have for you. 3) Their pursuit shows They fully accept you just as you are even while keenly aware of what you are, and, think of you as Their prince or princes. 4) They have given and made available everything of benefit to groom you now in thought, behavior and demeanor to eventually be an eternal co-ruler of the universe with King Jesus, as well as, will give you appointments to be a Divine-family-member ambassador to the vast number of inhabitants in the universe.

The **Royal View** is what you know and think about Divinity's plan for you. **The Present Royal-View-Thinking Emphasis** is the effort Divinity are putting forth to inform you that They would like to eliminate your tension **WHENEVER** it churns in you and, eventually, you never, ever experiencing it again because of development of your **Royal View Thinking**.

That all sounds good. However, when you look back at your record trying to **manage or, at least, mask tension,** does it make the wished-for-idea of elimination seem unlikely? How can **Divinity's Royal Vision** become yours, too? What is the How-To? That answer is on the inside top card panel.

ROYAL VIEW THINKING BUILDER - THE TOOL – TENSION ELIMINATION The Permission Response

The individual who introduced **TPR** to you is one of a growing group of individuals who are learning to allow Holy Spirit to teach them to use **TPR**. Each are just steps ahead of you in learning that **TPR** does what you were first told. Each more clearly see it as **THE TOOL best designed** FOR ELIMINATION OF TENSION. They also find that, with repeated use of **TPR**, positive changes are occurring in how they think reducing the occasions of tension (though often undesirable events have not decreased). That reduction-result has shown that **TPR TOOL** is a **Royal-View Thinking Builder**.

Present View

"Father, Jesus, I give Holy Spirit permission to accelerate teaching me The Permission Response— looking to Jesus by permitting His form and words into the same tension-accompanied mental scene. Thank You for the results-- peace, replacement of my typical way to think with more of Jesus' way to think (Royal View Thinking), more Christ like behavior and joy."

Matt.11:28; Hebrews 12:2; Philippians 2:5; 4:6.7; Ps. 119,29,30; John 14:27; 16:13; 17:13

"Also, I choose to allow You to replace my desire for the wrong thought. Thank You for just now making Christ-like changes in my genetic and neurological systems (the locations of tendencies for wrong desires). Thank You for making me a conquering power and grooming me as Your prince, or, princess." Mark 10:36; Heb. 8:10; Ex. 36:26; Zech.13:1; Rom. 8:37; Isa. 32:1

The first paragraph contains the main **Permission Response** idea. It is simply giving Divinity **PERMISSION** to provide you that which They have already made available to you. Your use of it in starting out might be:

"Father, I give You **permission** to take my tension. Thank You Holy Spirit for giving me Jesus' peace."

Soon Holy Spirit will expand your understanding to:

As your mind is looking at an undesirable event and you experience tension, JUST PERMIT the form of Jesus (any attractive form you imagine) to slip into the same picture. His form WILL BE ACCOMPANIED WITH SOME OF HIS WORDS RECORDED IN THE BIBLE. As you permit those words to be your thoughts, notice that tension does not return as quickly. In that moment and there after He helps you see how your tension accompanied thought was different than the thought He gave you. Through the repeating of this experience Holy Spirit teaches you that thinking differently than Jesus is the cause of your tension and How-To permit Them to change it. Divinity are grooming you with Their Royal Thinking qualities.
